Terms and conditions:

The Customer is responsible for maintaining a backup of their own Web Pages. We accept no responsibility for any loss the customer or any other party suffers as a result of data loss or Web Pages being lost or Web Pages being temporarily inaccessible through the internet whether caused by problems at APEX Internet or problems in the wider internet outside of APEX's control. In the event that our Service fails or we become unable to continue to host the Customer's Web Pages for any reason our liability is limited to giving the Customer a pro rata refund of the annual Web Hosting fee (based on the proportion of time remaining out of the contract period).

We host the Customer's Web Pages on an "As Is" basis. We do not test or check the Web Pages nor do we fix any problems with the Web Pages. Any problems or difficulties with the Customer's Web Pages are entirely the Customer's responsibility and should be resolved by the Customer before the Web Pages are submitted for Web Hosting.

The Customer takes full responsibility for the content of their Web Pages. The Customer acknowledges and accepts that we do not check such content and it is their responsibility to ensure that such material does not breach any intellectual property rights or copyright or any standards, content requirements or codes promulgated by any relevant authority.

The Customer indemnifies us from and against all actions, claims, suits, demands, liabilities, costs or expenses arising out of or in any way connected with the Customer's Web Pages and the content of those Web Pages.

I, .....  
(name)

of .....  
(organisation if applicable)

request APEX Internet to host my Web Pages in accordance with the schedule of prices above.  
I have read and understand the above terms and conditions and agree to them.
